WHAT SETS US APART

1 FREE LEGAL SERVICE

Free legal service where our lawyers check your contracts for you and monitor the entire sales process from start to finish. Our personal commitment is to provide the highest level of service and legal protection abroad.

2 FINANCING SERVICE

If needed, we can offer you a fallback guarantee in case you are unable to secure financing from the bank at the time of notarization. This service protects your entire equity and is offered exclusively through Best Place as no other agency is providing this level of service.

3 EXCLUSIVE OFFER

We hold sales rights to over 250 projects, allowing us to offer you nearly every new-build property on the Costa Blanca with more than 12,000 individual units. This means you won't need to work with any other agencies, since we can provide you access to all available properties.
